### Band Info

Far from the mainstream we cover songs like: Scarborough Fair, The Voice, Chasing Cars, Here Without You, Ameno, and more ... Well known songs from different styles (Irish- Celtic music as well as rock , pop and folk) we make our own genre. The songs will be presented with four part vocals accompanied by piano, cello and percussion.

With new arrangements (by Christina Grünewald) shine the songs in completely new colors. The sound that arises, invites you to dream and enjoy.
